

50 State Guide to Legislative Info

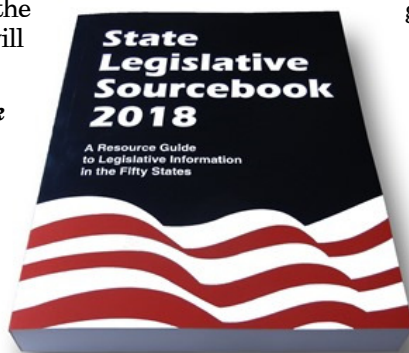

**2018 State Legislative Sourcebook Hard Copy Edition
Bundled with a Companion PDF Version at No Extra Cost**

Whether you need to know how to get a copy of a bill, where to find a nuts-and-bolts description of a state's legislative process, or where to locate a legislator's biography and photograph, the 2018 *State Legislative Sourcebook* will answer these and many other questions.

"The *State Legislative Sourcebook* is an absolutely indispensable annual publication for those who want to obtain information on the fifty state legislatures Enthusiastically recommended." *Academic Library Book Review*

For each state the *Sourcebook* identifies directories, websites, handbooks, bill status phone numbers, commercial bill tracking services, bill rooms, bill mailing services, slip law sources, state blue books, political blogs, newsletters and news websites . . . and on and on.

"Any library that does any amount of legislative reference service on other states will find the *State Legislative Sourcebook* a . . . frequently used reference source." *Booklist/Reference Books Bulletin*

The *Sourcebook* contains over 3,150 sources of information covering state legislative organization, bills and other documents, and legislators' biographical information, as well as state government in general.

"[W]ell organized handbook [which] provides useful legislative information sources and data for those studying or attempting to influence state legislatures No errors were noted in a sample of entries For public and academic libraries, community college level and up." *Choice*

The entry for each source includes the name of the publication or service, organization, address, telephone and fax numbers, e-mail address, website, cost and description. And each entry has been confirmed by telephone or other means within several months prior to publication.

"The *State Legislative Sourcebook* should be a mandatory acquisition for libraries supporting research on domestic politics and government." *Reference Book Review*

Please send us the 2018 *State Legislative Sourcebook* (softcover, 8½ x 11 inches, about 605 pages, ISBN 978-1-879929-71-5, ISSN 0898-7297), along with instructions for accessing the companion PDF edition. I understand if I am not completely satisfied, I may return both versions of the *Sourcebook* within 30 days for a full refund or credit.
